

Obećanja, Obećanja [Promises, Promises]
by Rita M. Csapó-Sweet and Zlatko Ćosić

Akademija Likovnih Umjetnosti, Sarajevo

“Obećanja, Obećanja” [Promises, Promises] is an exhibition/performance/installation presenting work by Rita Csapó-Sweet and Zlatko Ćosić. The art exhibition combines Csapó-Sweet's photographs, collages, and street graffiti/posters from the 2010 Bosnia and Herzegovina presidential election, combined with a sound installation by Ćosić. Additionally, Ćosić will present several of his video installations related to limited democracy, political promises, damaged privacy, surveillance, injustice, and immigration rights. Thematically, Ćosić's videos reinforce Csapó-Sweet's election photographs, collages, and posters.
